

## REMARKS

Reconsideration of claim 6 is respectfully requested on the basis of the arguments previously made. The Advisory Action mailed June 8, 2004 does not explain how JP '516 discloses both a housing and a separate frame, as in the present invention.

Applicants request an interview before the next office action on the merits, as previously requested, but denied. Applicants' attorney would appreciate a call from the Examiner when he is ready to act on this case, to schedule the interview.

New claims 11 and 12 have been added, and are allowable for the reasons given with respect to independent claim 6, and in light of the additional features they recite. Allowance is respectfully requested.

Applicants believe that this case is in condition for allowance, which is respectfully requested. If the case is not allowed, Applicants again request an interview before the next action on the merits.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
